

# Kids' Plates Newsletter

Volume III, Issue 6

March 2003

## Kids' Plates Grantees:

The end of this Kids' Plates grant cycle is drawing near. With this in mind please remember that:

By now you should have submitted at least two invoices. If you have not already done so, please send in those invoices right away.

If you plan to revise your budget, please do it soon. Call me if you need help with this.

You will only be reimbursed 75% of the total award until your final Kids' Plates program and fiscal reports are received.

Final program and fiscal reports are due by June 16, 2003. Please include any copies of clippings, videos, pictures, and educational materials developed.

The template for the final technical report can be found on the CD-Rom handed out during the September Kids' Plates meeting. It is also in your contract. Please email me if you need a copy.

It is a pleasure working with all of you. If you have any questions or comments concerning your program activities, requirements, or need any technical assistance please contact me at: [sholland@projects.sdsu.edu](mailto:sholland@projects.sdsu.edu) or 619-594-5039.

-Shanna

## TA Materials and Other Info:
