Volume IV, Issue 1

September 2003

## 2003-2004 Kids' Plates Grantees,

Welcome to the Kids' Plates program and congratulations on your funding!

One of the requirements for funding is that each Kids' Plates funded program send at least one person from that program to the Kids' Plates meeting on September 21 and the 17<sup>th</sup> Annual California Conference on Childhood Injury Control on September 22-24, 2003. The meeting and conference will be held at the Radisson Hotel at Los Angeles Airport. Need more info? Please visit [www.CIPPP.org](http://www.CIPPP.org).

The Kids' Plates meeting, which will be held from 1:30 – 4:00 pm on 9/21/03, gives you a chance to meet your fellow Kids' Plates grantees, discuss collaborative opportunities and review program and marketing responsibilities and requirements.

### Mark Your Calendar

We now have the date for the second Kids' Plates meeting. It will be held on Tuesday, January 20, 2004 at the Sierra Health Foundation in Sacramento. Details will be provided at a later time.

Please contact me if you have any questions, comments, concerns, etc. you may reach me at 619-594-5039. [sholland@projects.sdsu.edu](mailto:sholland@projects.sdsu.edu) or
