Volume IV, Issue 5

FEB 2004

## *Hello Kids' Plates Grantees,*

Happy New Year! I'd like to take this opportunity to thank all of you for attending and participating in the Kids' Plates meeting held on January 20, 2004 in Sacramento. It was really nice to see all of you again. I hope you found the meeting interesting and useful.

### **Some Reminders...**

...You may invoice for program expenditures of up to 75% of your grant award during the grant period. The remaining 25% of your grant may be invoiced as your "final invoice" and sent along with your final program report, fiscal report, and completed grantee's release form.

...All programmatic and fiscally-related templates have been provided to you in the CDROM that was handed out at the September Kids' Plates meeting held in conjunction with the Childhood Injury Control Conference. If you need any of these templates again, please email me with your request and I will email what you need.

...If you think you may have a surplus of Kids' Plates funds, give me a call so we can discuss ways you can use those funds.
