

Kids' Plates Newsletter

Volume IV, Issue 7

April 2004

Kids' Plates Grantees:

Just two more months to go on your Kids' Plates funded programs.

Please check your scope of work to ensure that you are on track and able to complete all of your program and marketing activities by the June 13, 2004 program end date.

Again, and I really can't say this enough, I don't want to keep any of your Kids' Plates allocation. Please contact me if you think you're going to have a surplus of funds in your Kids' Plates budget. We will find a way to make it beneficial to your program.

Remember, once your program and marketing requirements are completed...

You may invoice for all of your approved expenditures but will only be reimbursed for 75% of these funds until we receive and approve the required reports and release form. Please contact me if you have any questions or if you need any templates for these items.

Marketing questions? call Jon Akana at Hopcraft Communications, 916-457-5546 or email him at jon@hopcraft.com.

Need to reach me? Call 691-594-5039 or email sholland@projects.sdsu.edu.
