

Kids' Plates Newsletter

Volume V, Issue 1

October 2004

Dear Kids' Plates Grantees,
I'm so sorry I was unable to meet any of you at the Kids' Plates meeting or the California Conference on Childhood Injury Control. I became very ill and required immediate medical attention. I am feeling much better now and sincerely appreciate the the calls and emails I've received regarding my condition.

I do hope you found Kids' Plates meeting useful and informative. The customized CD Rom that was passed out to each program contains what I believe to be all of the pertinent funding and marketing-related information you will need to carry out your Kids' Plates program. I am always available if you have any questions or or provide assistance with any Kids' Plates related matter. I am available by email at sholland@projects.sdsu.edu or by phone at 619-594-5039.

Contracts

All 2004/2005 Kids' Plates contracts were mailed out a month ago. Please check to be sure yours has been signed, dated, and mailed back. Invoices cannot be paid without a fully-executed Kids' Plates contract in place. If you have not received your contract, please inform me immediately.

Shanna Holland
Kids' Plates Program Coordinator

OTHER INFORMATION:

Mark Your Calendar

The second mandatory Kids' Plates meeting will be held on Tuesday, January 25, 2005 at the Sierra Health Foundation in Sacramento. The meeting timeframe is tentatively set for 9:30AM- 4:30PM.

Marketing

All of the marketing kits have been mailed and you should have received yours by now. If you haven't, please contact Jon Akana at Hopcraft Communications at 916-457-5546 or Jon@hopcraft.com.

As you know, each Kids' Plates funded program is required to participate in at least one marketing teleconference. The scheduled teleconference dates are included in the second page of this newsletter.

Professional Development Funds

Funds are currently available for professional development opportunities including conferences, seminars, and symposiums for one or more staff working to address unintentional injuries to children and adolescents. Qualifying organizations may apply for up to \$2000. Go to www.cipp.org and click on the "KP RFA" to the left of the screen for more details and an application.
