

Kids' Plates Newsletter

Volume V, Issue 5

March 2005

Things You Might Like To Know About...

Hi Kids' Plates Grantees:

Just three more months to go on your Kids' Plates funded programs. My how time flies... 

By now you should have submitted no less than two Kids' Plates invoices. If you haven't submitted your second invoice, please do so immediately.

You should be well on your way to completing your program. Remember, the 2004/2005 Kids' Plates grant period ends on June 17, 2005. All grant activities and related expenditures must be completed by that date. If you are having difficulties with ANY aspect of your Kids' Plates program, budget, or contract requirements, it is your responsibility to contact me immediately so we can find ways to rectify it. Please don't wait until the last minute. It creates undue stress for you and it could jeopardize future funding.

In the meantime... If you've discovered that you have a budget surplus you'd like to reallocate, let's talk. I'm sure we can find some really good ways to make those funds beneficial to your Kids' Plates funded program.

It is imperative that you fulfill all of your marketing requirements. If you need marketing assistance, please call Jon Akana at Hopcraft Communications at 916-457-5546 or email him at jon@hopcraft.com.

Questions/comments/concerns? Email me at sholland@projects.sdsu.edu or call me at 619-594-5039.
-Shanna

Professional Development Grants

There are still some funds available for professional development opportunities, including conferences, seminars, and symposiums for one or more staff working to address unintentional injuries to children and adolescents. Qualifying organizations may apply for up to \$2000. To download and respond to this very easy RFA, go to CIPPP.org and click on "2005 Professional Development Funds" on the left of the page.
