

Kids' Plates Newsletter

Volume VI, Issue 1

September 2005

Hi 2005-2006 Kids' Plates Grantees,

Welcome to the Kids' Plates program and congratulations on your funding! I am really looking forward to seeing all of you at the Kids' Plates meeting on October 2, 2005. Remember, each program must send at least one representative to this meeting and to the California Conference on Childhood Injury Control on October 3-5, 2005. If you need more information, please visit www.CIPPP.org.

The Kids' Plates meeting, which will be held from 10:30AM-12:00PM on 10/2/05, gives you a chance to meet your fellow Kids' Plates grantees, discuss collaborative opportunities, and get an overview of the program and marketing responsibilities and requirements.

Mark Your Calendar

We now have the date for the second Kids' Plates meeting. It will be held on Tuesday, January 31, 2006 at the Sierra Health Foundation in Sacramento. More details, including the meeting time, will be provided in November 2005.

I am the coordinator for this program and it is my sincerest concern that you get what you need in order to successfully meet the program and marketing objectives set forth in your scope of work. Please contact me if you have any Kids' Plates related questions, comments, concerns, etc. I can be reached at sholland@projects.sdsu.edu or 619-594-5039.
