

# Kids' Plates Newsletter

Volume VI, Issue 5

February 2006

## *Hello Kids' Plates Grantees,*

It was a pleasure meeting with all of you at the Kids' Plates meeting on 1/31/06. I really enjoyed talking with you and hearing about the progress of your Kids' Plates funded programs. I hope you found the afternoon training on program evaluation informative and useful. I want to thank each of you for providing so much incredible feedback on that training. It really gave me a better understanding of what you felt worked and didn't work. I am using your feedback to collaborate with two trainers to develop a daylong, program evaluation training.

**Speaking of which...** the dates and locations for the upcoming program evaluation trainings have been determined. If you'd like to attend, please visit [CIPPP.org](http://CIPPP.org) to download and respond to the application. The trainings are free and we'll even provide lunch!
