## Hi Kids' Plates Grantees:

Just three more months to go on your Kids' Plates funded programs.

**By now you should have submitted at least two Kids' Plates invoices.** If you haven't submitted your second invoice, please do so immediately.

You should be well on your way to completing your program. For everyone but the Program Development grantees, the 2005/2006 Kids' Plates grant period ends on June 16, 2006. All grant activities and related expenditures must be completed by that date. If you are having difficulties with ANY aspect of your Kids' Plates program, budget, or contract requirements, it is your responsibility to contact me immediately 619-594-5039 or [sholland@projects.sdsu.edu](mailto:sholland@projects.sdsu.edu) so we can find ways to rectify it. Please don't wait until the last minute. It's not worth it.

If you've discovered that you have money in your budget you'd like to reallocate, contact Anne at 619-594-0984 or [aainsworth@projects.sdsu.edu](mailto:aainsworth@projects.sdsu.edu). She is happy to help you with that. Bottom line... this is grant money for your program, so let's find a way to utilize it.

If you need marketing assistance, please call Jon at Hopcraft Communications at 916-457-5546 or email him at [jon@hopcraft.com](mailto:jon@hopcraft.com).
