Volume VI, Issue 7

April 2006

## Kids' Plates Grantees:

For all grantees except those receiving Program Development funds... you have just two more months to go on your Kids' Plates funded programs. The 2005/2006 Kids' Plates grant period ends on June 16, 2006. All grant activities and related expenditures must be completed by that date.

Remember.... if you are having any difficulties with any components of your Kids' Plates funded program, please contact me immediately at 619-594-5039 or [sholland@projects.sdsu.edu](mailto:sholland@projects.sdsu.edu). I'll keep saying it.... "Please don't wait until the last minute to try to remedy a problem." It could end up costing your organization money with this grant and in the future by tarnishing your agency's good track-record.

Do you think you'll have some money left over? If so, we can help you reallocate it for use in your Kids' Plates funded program. Please contact Anne at 619-594-0984 or [aainsworth@projects.sdsu.edu](mailto:aainsworth@projects.sdsu.edu) for help with this.

Finally...meeting your marketing requirements is truly critical to the ongoing success of the Kids' Plates program. If you need marketing assistance, please contact Jon at Hopcraft Communications at 916-457-5546 or email him at [jon@hopcraft.com](mailto:jon@hopcraft.com).

*Other questions/comments/concerns?  
Email me at [sholland@projects.sdsu.edu](mailto:sholland@projects.sdsu.edu)  
or call me at 619-594-5039.* -Shanna

## Things You Might Like To Know About...

### Kids' Plates RFAs will be online Monday!

The 06/07 Kids' Plates RFAs will be available online Monday, April 24, 2006. Kids' Plates is offering LOTS of funding opportunities. Visit [www.CIPPP.org](http://www.CIPPP.org) to review the grant types and due dates and to select and download the RFA that best meets your program's needs.

### 20<sup>th</sup> Annual California Conference on Childhood Injury Control

We are sorry to report that the 2006 California Conference on Childhood Injury Control has been cancelled due to cuts in State MCAH funding. We hope to bring this conference back, stronger than ever, once funding is restored.

### Kids' Plates Proposal Reviewers Needed

Would you like to help review the 06/07 Kids' Plates Proposals?

We are seeking reviewers with technical expertise in one or more of the Kids' Plates unintentional injury prevention areas of focus.

If you are interested in participating, please email [sholland@projects.sdsu.edu](mailto:sholland@projects.sdsu.edu).

If you have already emailed me with your interest, please do so again since we've had some problems with our email server.

Thanks!
