

Kids' Plates Newsletter

Volume VII, Issue 7

March 2007

Hello Kids' Plates Grantees,
Can you believe that it's already the middle of March? You have three months left to complete your Kids' Plates funded program/s. If you have any questions, concerns, or issues that need to be addressed, now is the time. I can be reached at:
sholland@projects.sdsu.edu or 619-594-5039. I am always happy to help you navigate through your options. I'm here to help you make your Kids' Plates funded program/s as successful as possible.

Upcoming Survey:

In our efforts to better meet the needs of unintentional injury prevention programs, we will be conducting an in-depth online survey of the Kids' Plates Program. If you receive a request to participate in this survey, please take the time to do so. Your honest input and contribution to this effort will help inform us on how to shape the Kids' Plates Program to better meet current and anticipated needs of unintentional injury prevention programs throughout California.

Questions, comments, concerns?
Please contact Shanna Holland, Kids' Plates Program Manager, 619-594-5039 or sholland@projects.sdsu.edu.

Kids' Day at the Capital

The Kids' Plates Program is participating in this event, which will be held in Sacramento on April 19, 2007.

As a Kids' Plates grantee, you are invited to send along your program information (flyers) to be included at our booth. You may send us a one-page flyer (front and back) that highlights the unintentional injury prevention efforts that you/your organization are conducting and any additional information you want to share. One flyer per organization please and be sure to send about 200 flyers in whichever language/s you feel would be useful.

Send to: CIPPP/KP
